

Robert M. S. NG OALA, CSLA, ASLA

PRINCIPAL NAK DESIGN STRATEGIES

Robert has more than forty years of experience in landscape architecture, urban design, and environmental planning, design and management. He specializes in built form – in particular, the design of courtyards, streetscapes, parks, water play areas, and architectural features, with emphasis on form, sensibility and historical imperatives.

He has repeatedly demonstrated his talent for innovative design solutions in public and private sector projects. His ingenuity and keen sense of design, along with his proven expertise in concept development and detailed design, have contributed significantly to the distinctiveness, memorability and timelessness of his projects.
